When you need help, we are here to lend a hand

- We give you practical ways to meet your needs and help you learn how to use the tools we suggest
- We work with families currently involved with Family Support for Children with Disabilities (FSCD) at no cost to the family
- We work directly with you & your child within your home
- Children to the age of 17

Here is What We Do

- Build on the current skills and abilities of the child

- Behavioral assessment with child specific outcomes
- Develop positive behaviors to replace behaviors of concern
- Positive support strategy development
- Training with the support team and family
- Completion of a written goal/ outcome plan and recommendations

- Maintain the family unit

Customized Support

- Work cooperatively with all professionals and facilitate connections
- Quality and individualized care
- Four to six months or 90 hours working with the team
- Different children and their families require different levels of support
